

# BEYOND FAN TOUR

SPAIN | JUL 30 - AUG 7, 2024

Our Beyond Sports High School programs are designed to foster both athletic development and personal growth. These immersive experiences are crafted to empower young athletes—cultivating independence and confidence in a supportive environment. In addition to promoting personal growth for our athletes, we are also equally dedicated to building community through sport.

**To balance our mission of creating community through sport and preserving this journey of self-discovery for our athletes, we are offering a Beyond Sports Fan Tour.** Accompanying family travelers are invited to join us for their own Spanish adventure, which includes, an opportunity to spectate the exhibition games, visits to some of the most iconic sites in Spain, and an opportunity to connect with fellow family travelers. Learn more about the travel itinerary and package below.
